

Mungo Makes New Friends

Fox finger puppet.

Instructions

Colour the body, head (front and back) and tail (front and back).

Cut around the bold black lines.

Glue the body into a cone shape.

Glue the front and back of the head together.

Glue the front and back of the tail together.

Glue the head and tail on to the body.

You now have a Fox finger puppet .

The story of 'Mungo Makes New Friends' ends 'But where was the fox?'

Continue the story with your Fox finger puppet.
